

## Sounds, nightclubs, studio, mix...

**Sounds, nightclubs, studio, mix... Music is his life.**

Daniel Murillo has been dedicating a part of his life to electronic music. Playing in the clubs and producing in the studio, his style is nationally known, his beats give pure ecstasy and his career in the music business follows the fast tempo of his songs, welcome to Daniel Murillo's world!

During his childhood, he discovered the ambition to lead the dancefloor. His first influences are eclectic. Daniel grew up listening to Soul, Funk, Disco and Rock. He has never overshadowed his fascination for Prince, Michael Jackson, Kurt Cobain, Lenny Kravitz, Stevie Wonder,... Even if he is prone to House, Electro & Club Music.

At the age of 15, Daniel was introduced to the turntables. In 2002 he debuted his first mix compilations and he quickly made a name for himself. Soon after that, Daniel Murillo broke into the club scene and began playing in bars and the biggest Belgian clubs.

## YOLO IBIZA @ PRIVILEGE

Nowadays Daniel has become one of Belgium's most wanted dj's, holding residencies in some of Belgium's biggest clubs and venues. Summer 2013 Daniel goes international and becomes resident Dj of the new relevation party of **IBIZA, YOLO IBIZA @ PRIVILEGE**. He rocks all summer long he main room with artists like: Will I Am, Redfoo, Netsky, Trey Songz, Far East Movement, Otto Knows, Asap Rocky, R3hab, Borgore, Sean Paul, Obek, Dj Fresh & many more.

Daniel is also active on the radio.  
He is often invited in various radio stations like...  
Fun Radio - Nrj - Topradio...

Back in 2009, releasing his own tracks was the next step. Daniel dedicated his time into productions. In the fall of 2009 he release his first single PEOPLE Ft. Nadja. He has entered the Belgian Dance charts with his first release.

Obsessive and meticulous, Daniel's perfectionist nature complements his musical creativity. There are only a few DJ's that can produce the energy that Daniel Murillo does in the club. When he's at work you can feel the intensity and passion he has for music. As he switches from record to record the crowd feeds off his energy.

Hearing and watching him play is a performance on itself!

2013 looks promising so far. More studio projects, more releases, more travel, more collaborations... Stay tuned.
